How much of the syllabus was covered in the class

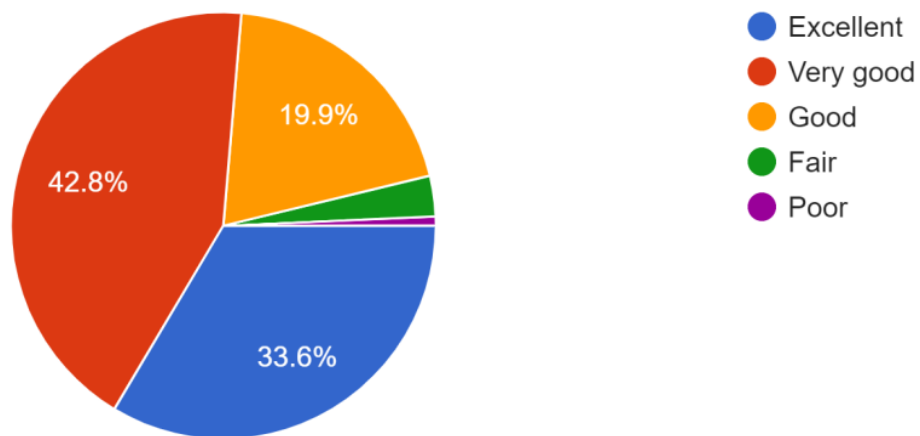

How well did the teachers prepare for the classes

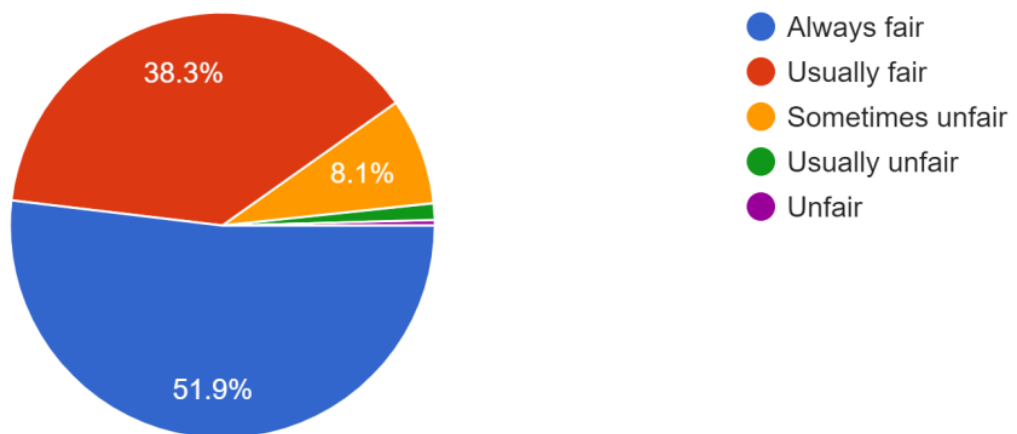

How well were the teachers able to communicate

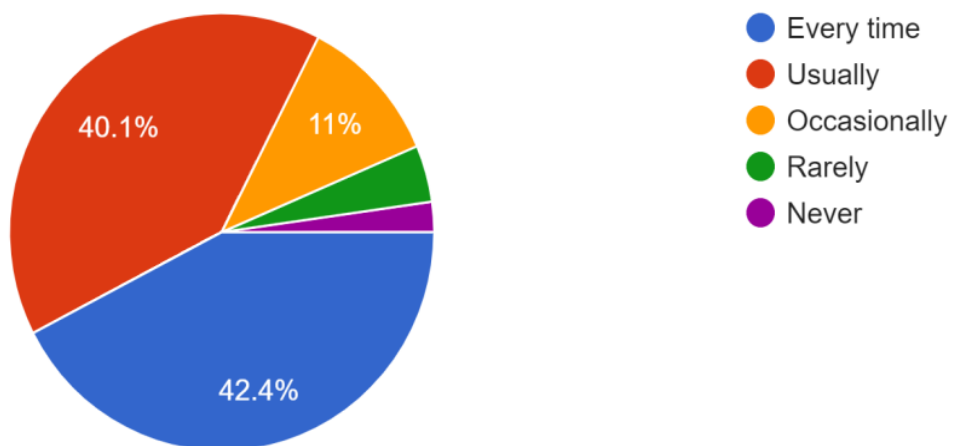

The teacher's approach to teaching can be best described as

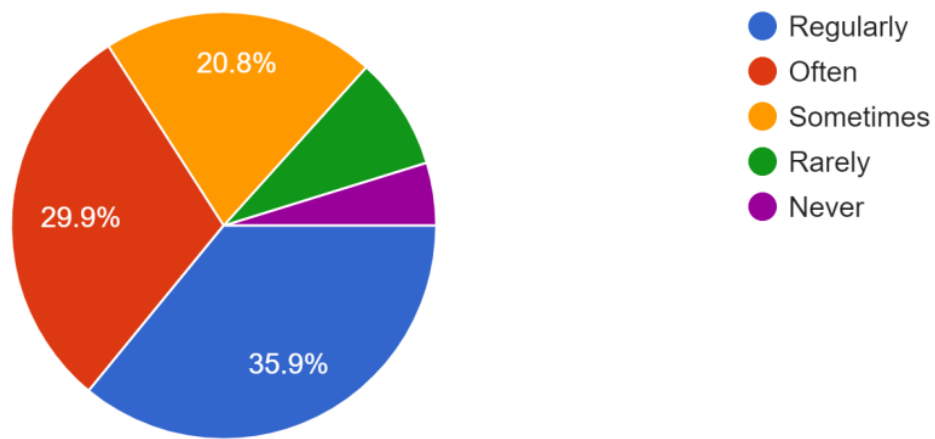

Fairness of internal evaluation process by the teachers

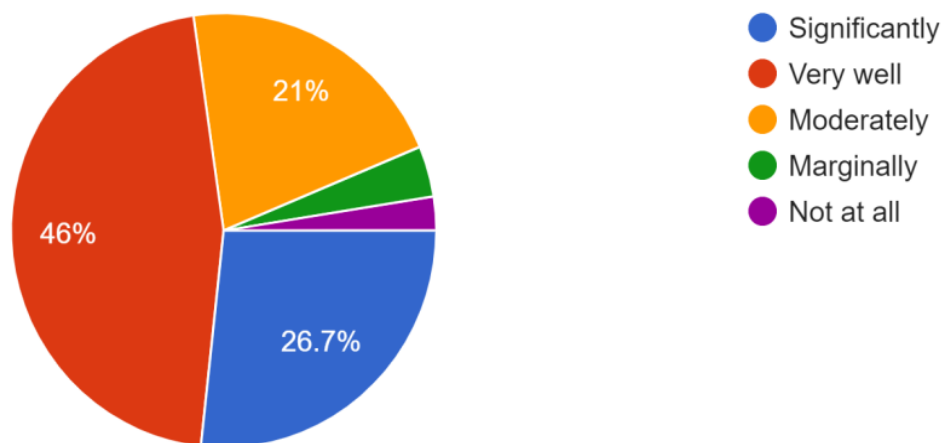

Was your performance in assignments discussed with you

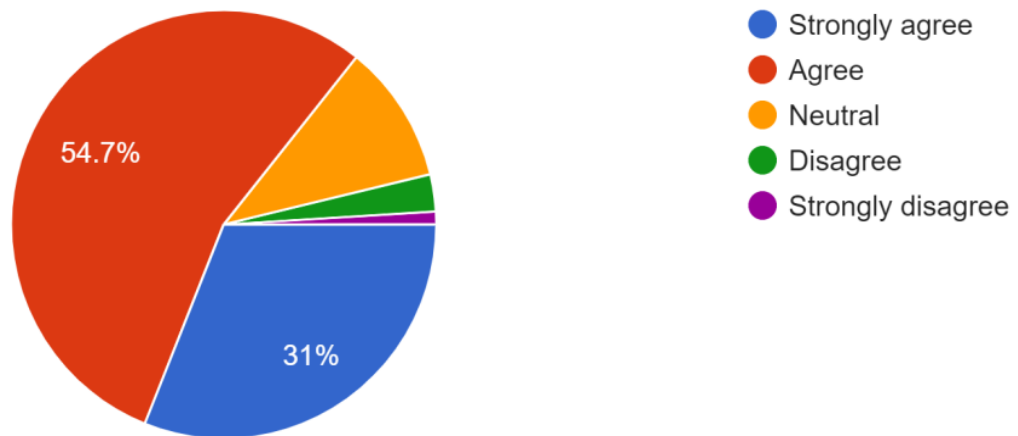

The institution takes active interest in promoting internship, student exchange, field visit opportunities for students

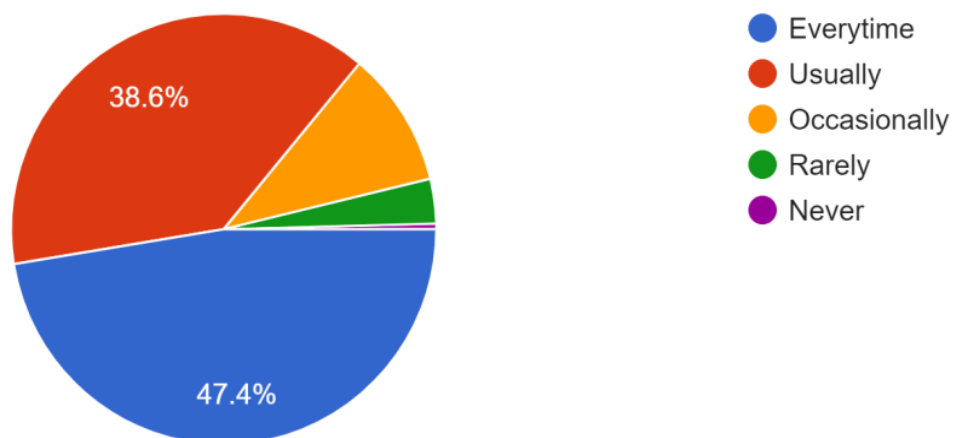

The teaching and mentoring process in your institution facilitates you in cognitive emotional growth

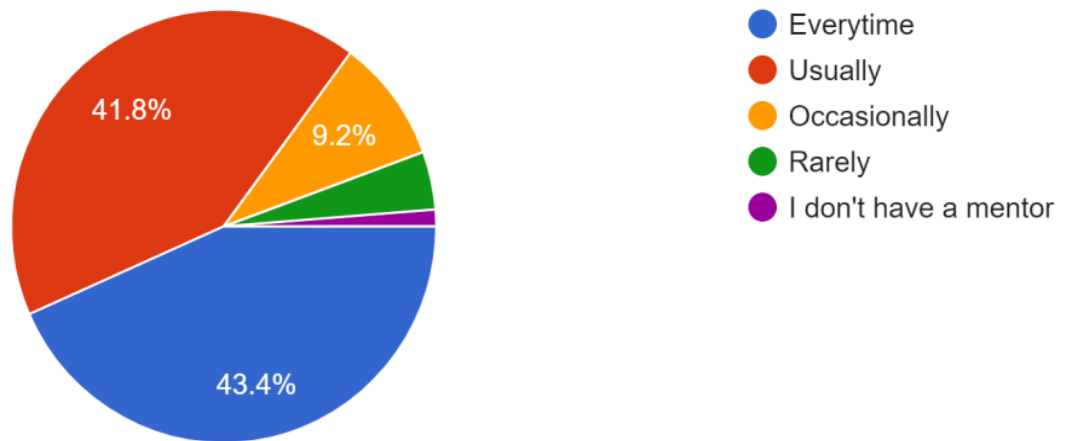

The institution provides multiple opportunities to learn and grow

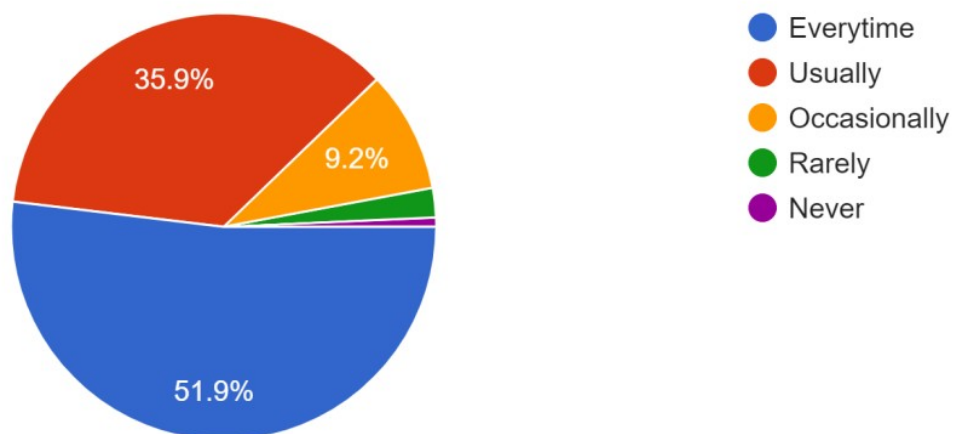

Teachers inform you about your expected competencies, course outcomes and programme outcomes

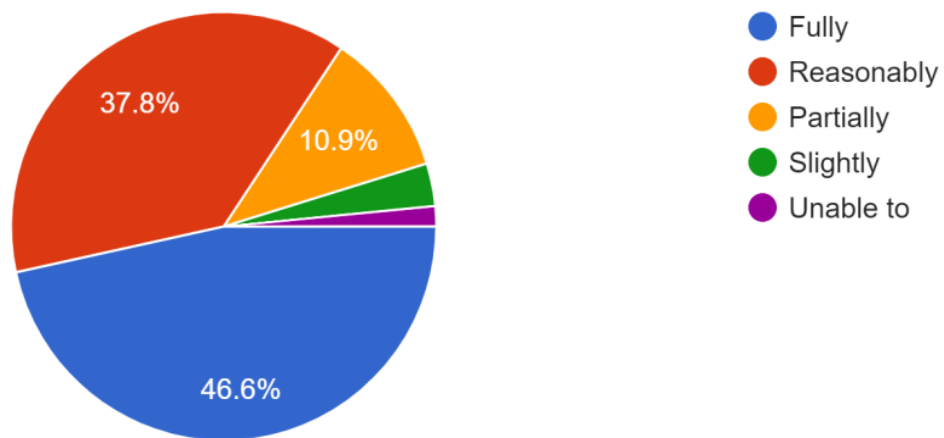

Your mentor does a necessary follow up with an assigned task to you

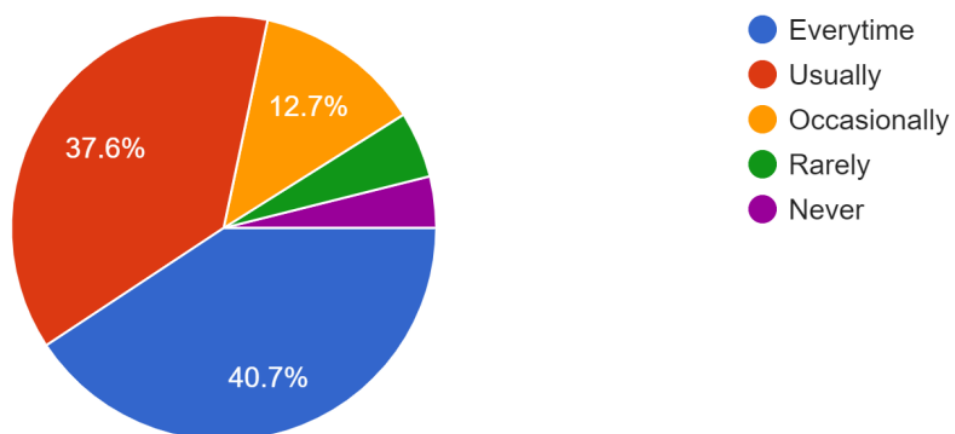

The teachers illustrate the concepts through examples and applications

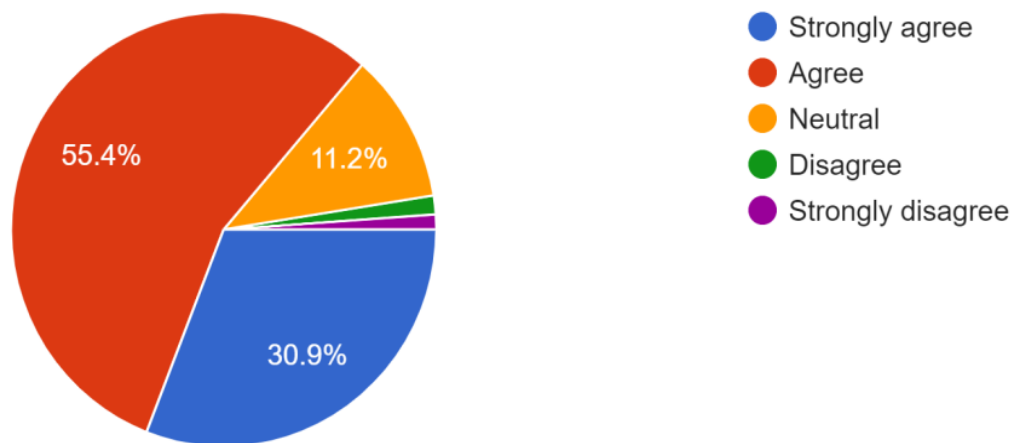

The teachers identify your strengths and encourage you with providing right level of challenges

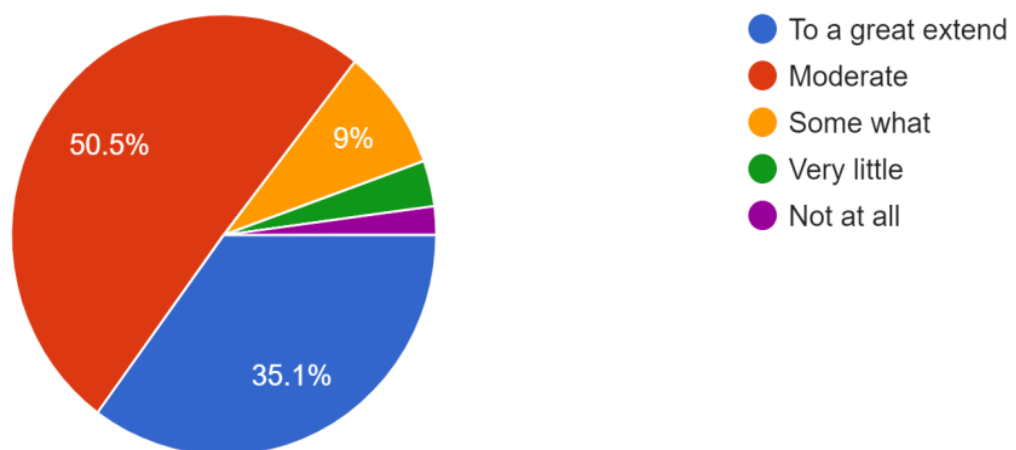

Teachers are able to identify your weaknesses and help you to overcome them

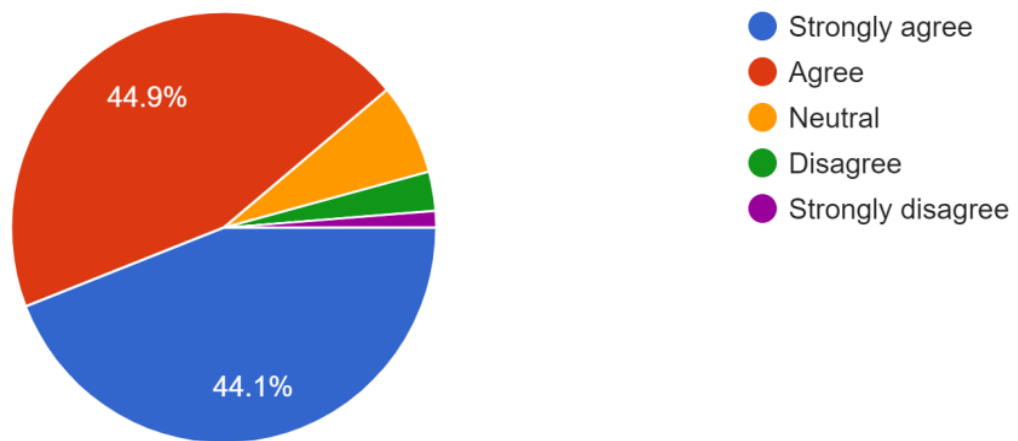

The institution makes effort to engage students in the monitoring , review and continuous quality improvement of the teaching learning process

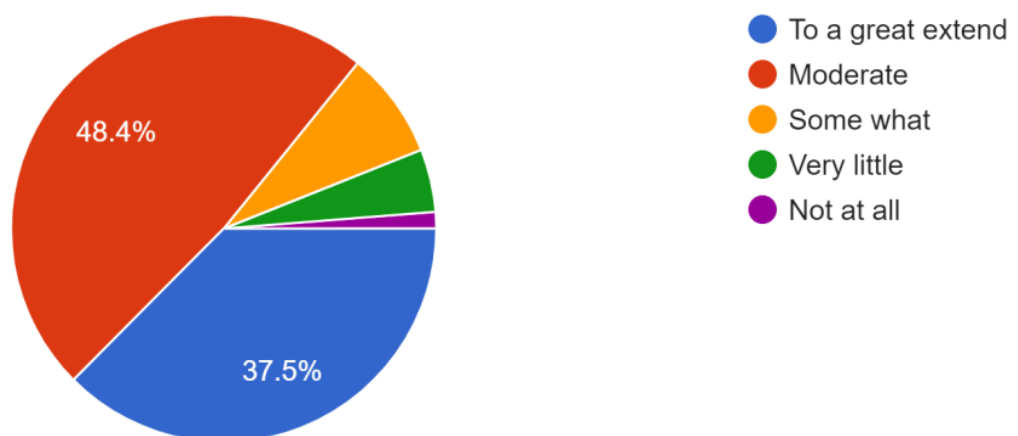

The institute use student centric methods such as experiential learning, participative learning and problem solving methodologies for enhancing learning experiences

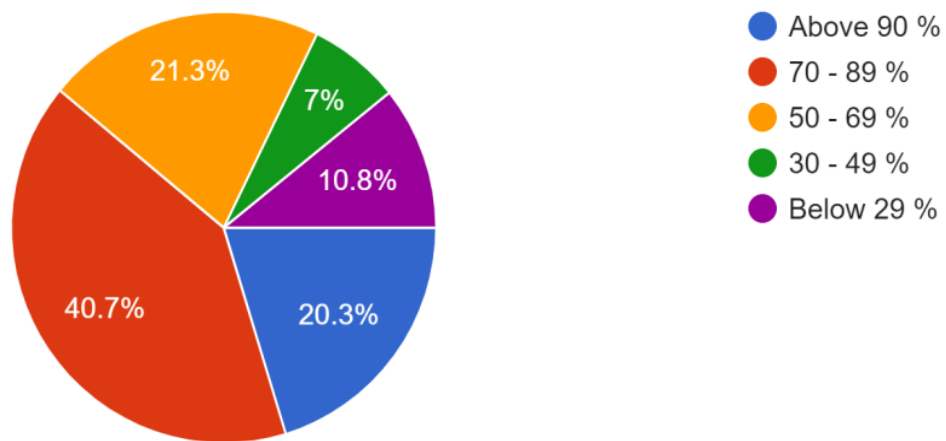

Teachers encourage you to participate in extracurricular activities

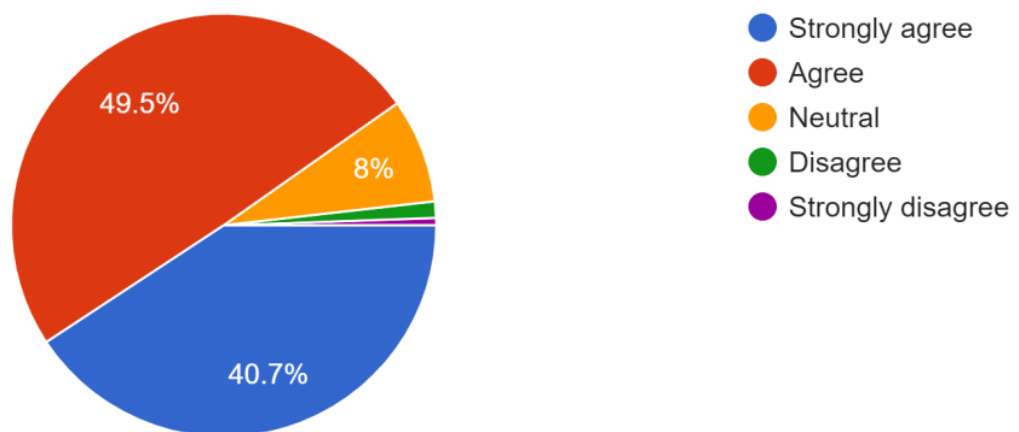

Efforts are made by the institute to inculcate soft skills, life skills and employability skills to make you ready for the world of work

What percentage of teachers use ICT tools such as LCD Projectors, Multimedia, etc while teaching

The overall quality of teaching- learning process in your institute is good

Suggestions to improve teaching learning experience of the Institution:

1. Provide technology enabled classes.
2. Facilities and lab infrastructure needs to be improved.
3. Provide study and reference material for learning.
4. Encourage personal interactions with students.
5. Internships and industrial visits to be arranged to gain practical knowledge.
6. Incorporate more extracurricular activities for overall development.
7. Engagement in activities promoting physical health.
