**Suggestions to improve teaching learning experience of the Institution:**

1. Amidst the covid pandemic, students were unable to engage actively in field visits and internship programmes. Such initiatives are to be promoted post pandemic.
2. With increased usage of IT resources, smart classrooms are to be increased for effective learning.
3. Provide access to online resources, notes, journals.
4. Students require personal interactions with their teachers and mentors and it has to be carried actively especially to cope up with the mental stress during pandemic.
5. Group assignments and peer learning could help in improved learning
