Academic Year 2016-17

1. Event

After the second phase accreditation process, the IQAC has decided to conduct an induction programme for first semester students. The induction programme was organized during the period 12/12/2016 to 14/12/2016. There was a formal inaugural function and the principal Dr. K. Mohanakumar addressed the students. The students were given an overall idea about the college and choice-based credit semester system. An orientation by the respective head of the departments was given to them on another day. During this session the students were given awareness about the conduct of university examination and internal examination, remedial class, mentoring etc.

2. Participants:

First semester students from different disciplines.

3. Objectives

Student Induction Programme is designed to orient students about the history of the institution, Vision, Mission, code of conduct, structure of the programme, mode of conduct of examinations, various clubs and forums functioning in the college and the activities in the department.

4. Planning

In the beginning of every academic year, the IQAC prepare the action plan and tentative dates for the conduct of induction programme were chosen. The department heads were informed about the programme.

5. Conduct of the event

The programme was inaugurated by the Principal Dr. K. Mohanakumar. The presidential address was given by Dr. Jayasree V., coordinator, IQAC. Felicitation was made by Dr. R. S. Harikumar, Secretary PTA. Smt. Renu Sree S., member IQAC welcomed the gathering and Sri. Aathman A. V., proposed the vote of thanks.

After the inaugural function, Dr. Sushil Kumar R., Joint coordinator, IQAC addressed the students. He gave a motivational speech and explained the moralities one should practice in life as well as in the campus.

During the power point presentation, Dr. Jayasree V., coordinator, IQAC explained the circumstances in which the college was established, the initiatives taken by Sri. Kumbalathu Sankupillai, the founder of the college, a great visionary and philanthropist, after whom the college was re-named. She explained the role of IQAC in college and the different programmes offered by the college. The programme enables the interaction between teachers and students before the commencement of the regular classes. This interaction & planning helps in effective delivery of lectures and tutorial/practical.

The students got an overall idea about the college, the programme structure, examination pattern, the possibilities of choosing open course of their interest etc.

6. Feedback

Feedback was collected from the students and suggestions to improve the quality of the programme were sought.

7. Conclusion

Student Induction Program was conducted for all first semester students. From the feedback of the students, it was clear that the induction programme helped them to get an idea about the institution and the details of the CBCSS programme.
