Academic Year 2019-20

1. Event

The student induction programme for first semester newly admitted students was organized during the month of October. The programme on each day was scheduled into two sessions. The students were advised to gather at the general seminar hall. There were a formal inaugural function and the principal Dr. C. Unnikrishna Pillai addressed the gathering. In the afternoon session students were addressed by their respective heads of the departments.

2. Objectives

Student Induction Programme is designed to orient students about the history of the institution, Vision, Mission, code of conduct, structure of the programme, mode of conduct of examinations, various clubs and forums functioning in the college and the activities in the department.

3. Planning

In the beginning of every academic year, the IQAC prepare the action plan and tentative dates for the conduct of induction programme were chosen. During this academic year it was decided to incorporate the curriculum and pattern of examination, programme structure and functioning and duties of anti-ragging cell etc. A committee was constituted, comprising of the Coordinator IQAC, two members from core and steering committee, Convener CLMC, Convener anti-ragging cell, Convener, Grievance and redressal cell. The programme notice was prepared by the IQAC and informed the students and staff. Students from various departments were grouped in such a way that each group contain almost equal number.

4. Conduct of the event

The programme was inaugurated by the Principal. Presidential address was given by Dr. Jayasree V., Coordinator, IQAC. Dr. R. S. Harikumar, Secretary PTA made the felicitation. Dr. Preetha G. Prasad welcomed the gathering and Lt. Dr. T. Madhu proposed the vote of thanks.

After the inaugural function, Dr. Sushil Kumar R., convener Grievance redressal cell addressed the students and explained the code of conduct and moralities one should practice in life as well as in the campus, how to tackle tragedies of life. During the presentation, Dr. Jayasree V., Coordinator, IQAC explained the circumstances in which the college was established, the initiatives taken by Sri. Kumbalathu Sankupillai, the founder of the college, a great visionary and philanthropist, after whom the college was re-named. She explained the role of IQAC in the college and the different supportive mechanisms offered by the college.

The programme enables the interaction between teachers and students before the commencement of the regular classes. This interaction & planning helps in effective delivery of lectures and tutorial/practical.

The students were able to get an overall idea about the college, the programme structure, examination pattern, the possibilities of choosing open course of their interest etc.

5. Feedback

Towards the end of the programme, students were encouraged to make comments about the content, presentation style and suggestion to improve the programme to make it more effective.

6. Conclusion

Student Induction Program was conducted for all students so that they get to know the course structure and the importance towards quality education. From the feedback of the students, it was clear that such programmes were help them to know about the college and the details about the programme etc.
