7.1.1 MEASURES INITIATED BY THE INSTITUTION FOR THE PROMOTION OF GENDER EQUITY DURING LAST FIVE YEARS

Gender Sensitization Activities Report 2016-2017

Action Plan	Action Taken
Self Defense	International Women's Day 2017 was inaugurated under the auspices of the Women's Study Cell. "Be Bold for Change" was the campaign theme in the year 2017. The theme emphasises embracing change, anticipating change and exploiting change as an opportunity. The main emphasis was on how to defend oneself and thus bring about a change in our life. Kerala State Youth Commission Chairperson Miss Chintha Jerome inaugurated the function. The programme emphasised gender equality as the women themselves are capable of defending themselves. The participation of male students in the programme was commendable.
Women Empowerment	The Women's Cell of the College conducted Food Fest from 1 March 2017 to 3 March 2017. The fest was organised for initiating entrepreneurship for female students. College Principal Dr K. Mohankumar inaugurated the fest. The students actively participated in the fest, bringing home made food items, cooked and half-cooked. Different kinds of fruit juices were also the highlight of the fest. The staff members and students encouraged the entrepreneurs by their active participation.
Safety and Security	The Women's Studies Cell of the College conducted a seminar on "Women's Safety in the New Media Age", in connection with the International Women's Day Celebrations on 23rd January 2017. This Seminar was aimed at raising awareness among women to throw light on their safety.
Guidance and Counselling	The Centre for Women's Studies of our college conducts counselling sessions every academic year. The students coming from different sections of the society face many physical, psychological, identity and relationship changes on their journey to adulthood. Such programmes help them to move through this developmental stage peacefully. A counselling session was organised on 2 nd February 2017. The counselling sessions helped the students to be safe, feel good about themselves and engage in respectful relationships.
Health and Wellness	<p>Drug abuse is a very serious problem in many campuses. The exposure to a variety of people in college, stress of adjusting to new environments, participating in fraternity and many other aspects of student life increase the risk of college drug use disorders. In order to make the students aware of such facts, The Women's Study Cell of the College, jointly with NCC conducted a seminar and Quiz Competition on Drug Abuse on November 21, 2016.</p> <p>The programme "Laharivirudha Kavi Sammelanam" was conducted by</p>

	<p>Excise Range Office, Sasthamcotta with NSS units DB College related to 'Gandhi JayanthiVarakhosham' on 5th October 2016. A convention of Malayalam poets was organised as a campaign against drugs and alcohol.</p> <p>NSS conducted a food fest on 9th November 2016 against the fast food culture of new generation students. The faculty, non-teaching staff and the students from the college participated in the programme. The fest gave a message to the new generation about a good food habit and a healthy life.</p>
