The Department of English and Seminar Committee jointly organized a seminar on Informatics titled “Informatics: Operating Systems, Networking and Internet” in the Smart Classroom on 6th August 2018 at 10:30 am.

The Department has been conducting Communicative English classes for the students of various schools around the college. This extension activity has helped develop a taste for language for the students from the rural areas.

Our institution has been selected for **DST - FIST** support in the year 2019. Dr. B Beena, Associate Professor in the dept. of Chemistry is the co-coordinator for the same. We have been granted an amount of Rs.69.4 lakhs. Established in the year 2000, it is intended for the selective strengthening of infrastructure for postgraduate education and research in emerging areas. The support for five years to the institution is to augment teaching and research facilities in four areas i.e, Basic Equipment, Networking and Computational facilities, Research Infrastructure and maintenance of equipment.

Ozone day Celebration 2018 was jointly organised by Research and PG Department of Chemistry and Science Club of the College. On 16th September 2018, postal and oral presentation contests were conducted based on the focal theme 'Keep cool and Carry on'. Many students participated very actively and prizes were distributed for the best poster and oral contest winners.

The World Wetland Day-2019 programme was conducted on 5th and 6th February 2019 at Digital Seminar Hall, K.S.M.D.B College, Sasthamcotta. The programme titled 'SAVE WETLANDS, SAVE YOURSELF' was funded by Kerala State Council for Science, Technology and Environment (KSCSTE), Govt. of Kerala. The programme was jointly organized by Research and P.G Department of Chemistry and Science Club of the college with the cooperation and involvement of local government.

On 5th February, poster and oral presentation contests were conducted based on the focal theme 'Wetlands and Climate Change'. There was very active participation from the students. The programme was inaugurated by Sri I Noushad, the President, Sasthamcotta Grama Panchayat. In his inaugural speech, he mentioned about the steps taken by the Government for the protection of Sasthamcotta Lake. He also distributed prizes to the winners. Sri. K. Karunakara Pillai (Chairman, Sasthamcotta Lake Protection Council) was honored at the function for his dedication and tireless activities rendered to protect Sasthamcotta Lake. This was followed by the Technical Session.

Dr. Renjan Mathew Varghese, State Director, World Wide Fund for Nature-India (WWF-India) delivered an invited lecture on the topic 'Our Wetlands: Valued or Wasted?'. The talk was very relevant and useful for the students and improved their knowledge about wetlands. There was very active participation from the students and good interaction with the resource person.

A three day Residential Science camp 'Sasthrajalakom' funded by state Institute of Educational Technology(SIET), for selected students of 9th standard was organised during the period 26.10.2018 to 28.10.2018. Dr. Rathika Nath G., Assistant Professor, Department of Chemistry was the co-ordinator. The topics of the programme sessions included fundamentals of basic science and its application in subjects of Physics, Chemistry & Biology. Hands on

experience of various experiments in Science were also provided to the participants.

A State level camp called 'Sasthrapadham' for selected Plus One Students was conducted in our college with the support of SamagraShiksha to increase their proficiency in scientific knowledge. Students of aided/ Govt schools were selected for the programme. Chemistry faculty, Dr.Rathika Nath G. was the co-ordinator and the programme was scheduled for a span of three days (25.01.2019 to 28.01.2019). Lectures and demonstrations based on various topics in Physics, Chemistry, Mathematics and Life Science by experts.

Inter disciplinary seminar series 'BODHI' was organised in our institution. Department of Chemistry and Physics jointly organised the seminar on 13.02.2019 and Dr.P.R.Prince, Department of Physics, University College, Thiruvananthapuram had given a talk on the topic ' Mysteries of the Universe' .

National Science Day Celebrations-2019 (NSD-19) was funded by Kerala State Council for Science, Technology and Environment (KSCSTE), Govt. of Kerala. A Science Exhibition was conducted on 28th February 2019 for school students. The exhibition was jointly organized by the Science club and all Science Departments of the college. About 300 students from various schools participated in the Science exhibition.

The Department celebrated commemoration of Prof. KNG Unnithan on November 7th, 2018. Principal inaugurated the function. Students who secured first in University exams of UG and PG, and students of Statistics Department who secured first in subsidiary Mathematics were awarded. As part of this programme a Talent Day was also conducted on 02/11/2018 and honoured the candidate who secured first.
