DIVYANGJAN POLICY DOCUMENT

The Government of India formulated the national policy for persons with disabilities which deal with educational rehabilitation of persons with disabilities. The Policy for Divyangjan students of Kumbalathu Sankupillai Memorial Devaswom Board College recognizes that persons with disabilities are valuable human resource for the institution and seeks to create an environment that provides equal opportunities, protection of their rights and full participation in the academic environment. As part of the adopted policy, the College provides admissions to the Divyangjan students as per the quota stipulated by the University of Kerala. Special counselling is given at the time of the admission on the type of courses that are suited to them. The facilities available in the College for their convenience are also informed. On the completion of the admission process the students get to experience the academic environment that enriches the faculty of students.

Objectives

The College strives to attain the following objectives through the Divyangjan Policy adopted at the institutional level:

1. To provide necessary facilities for the differently abled students in the College.
2. To provide equitable educational opportunities for the Divyangjan Students.
3. To promote an inclusive culture avoiding discrimination and exploitation of differently abled students.
4. To provide the students with disabilities equal opportunities for development.
5. To ensure full participation of Divyangjan Students in all activities of the College.

Policies and Measures

The College campus is made Divyangjan friendly. Ramps, rails and special toilet facility is ensured. The College provides human assistance to the Divyangjan students and they accompany the students to the classrooms, toilets, library and also in and around the campus. Wheel chair is provided to the differently abled students for their easy transportation. A host of learning assistive devices like Whatsapp voice sharing, trained scribes etc. are available for these students with special needs. The students are informed of the relevant orders regarding

fee concessions, examination procedures and other policies intended for them. The special education needs of the students are identified and the College Management is informed of the special procedures to be followed and the assistive devices to be procured. The College constantly monitors the teaching of the differently abled students. The College continuously ensures the capabilities of the students and motivate them to aspire high.
