CRITERION 6

6.2.1 Objectives of the Strategic Plan

The college has developed appropriate policies and strategies for becoming an institute of eminence in its relentless pursuit of excellence. The 2025 strategic plan document, which is based on the seven goals listed below, includes both vertical and horizontal development axes. The IQAC committee developed these goals of vertical and horizontal significance to improve understanding and clarity of the strategic plan's vision.

Goal 1: Educational administration

This main goal is to create and deliver an innovative, technologically advanced, and quality-oriented education that will inspire students to learn more deeply. The College Council functions as a primary statutory body to advise the Principal in discharging all relevant duties for the smooth functioning of the College. The IQAC monitors and controls all planning and developmental activities of the institution which are implemented by various committees, thus ensuring quality at all levels.

Goal 2: Student Welfare Measures and Support

In order to enhance the academic potential, creativity and excellence of the students, the institution implements various regulatory systems such as, CLMC, DLMC and ERPS. Meetings are convened at regular intervals to plan all aspects of teaching -learning process. Programmes like SSP, WWS, ASAP and courses like VAC, NPTEL courses and CACEE courses are smoothly being conducted in the institution and are properly documented for future. Co-curricular and extra-curricular activities are organised and conducted by NSS, NCC, Physical Education Department and Clubs.

Goal 3: Faculty Selection/ Development

UGC regulations are strictly followed for the appointment of teachers and provision to participate in national and international seminars, workshops, symposia is a measure to develop faculty knowledge.

Goal 4: Strengthening Research Activities

College provides keen attention to develop a multi-disciplinary research environment in the institution, focus on the transfer of knowledge through dedicated centers of research and aims at cultivating a system for quality publications and research.

Goal 5: Expansion of the Horizon of Knowledge Base

Both kinds of developments based on subject oriented theoretical knowledge and skill-oriented practical knowledge are given equal importance. Two, new Skill based UG courses viz., B.Voc. Food Processing and Management and B.Voc. Software Development were started during the year 2020, with the aim of promoting skill-based education.

Goal 6: Infrastructure Development

Through improved infrastructure facilities, the College is devoted to facilitate an environment, conducive to free thinking and successful academic transactions. New buildings funded by RUSA, Alumni and the Management and various facilities such as Instrumentation centre, INFLIBNET etc. are implemented in a way to meet the needs of all stake-holders. The Digital Library, INFLIBO and a sophisticated analytical instrumentation centre funded by STAR-DBT and FIST projects are underway.

Goal 7: Social Commitment and Responsibility

Being situated in a locality of under privileged society, the College strives to conduct programs aiming at the upliftment and improvement of life and wellbeing of the people inhabiting around the College. Various activities like house construction of houses for the poor and needy, awareness programs on social issues, conduct of exhibitions etc. are well coordinated with the support of staffs and students of the institution, for the general public.
