Report on Shasthrapadham Science Camp  
(Samagrashiksha Kerala) conducted at K.S.M.D.B. College,  
Sasthamcotta  
on 25<sup>th</sup> 26<sup>th</sup> and 27<sup>th</sup> of January 2020  
by College coordinator, Dr. Rathika Nath G.

The Sasthrapadham project launched by SSA- Kerala in association with Samagrashiksha is aimed at providing a three day science camp for 100 selected students (of standard 11<sup>th</sup>) from Government and Aided Higher Secondary Schools of Kollam district. We are extremely proud for being one of the venues for hosting the function.

The programme was organized in such a way that there were both theory and practical classes. Theory classes were on subjects like career development, recent advances in sciences, forensic sciences, medicinal sciences etc. Practical classes were on hands on training on Chemistry, Physics, Botany, Zoology and Mathematics. Excellent resource persons were selected for lecture sessions from and outside the College and science labs were arranged for demonstration classes by the College students under the direction of teachers.

**Day 1 (Saturday, 25-01-2020)**

The registration of students started at 9 am and the total strength of participants registered was 18 (8 boys and 10 girls). All participants were provided a kit consisting of file, notebook and pen.

The Working inauguration function started at 10.00 am on 25 th of January 2020 and the venue was digital seminar hall. The ceremony was chaired by the College principal Dr. C. Unnikrishnan, who expressed his happiness in hosting the function. Mrs. C. Radhamony, the District Panchayat President of Kollam inaugurated the working of the camp. **Dr. M.R. Sudharshanakumar, former principal of MG College, Academic coordinator of the Sasthrapadam project, who is considered as a well known researcher in the field of crystal growth and complexes was also present and delivered the key note address.** Welcome speech was delivered by Dr. Rathika Nath G., the programme coordinator. **Dr. M.R. Sudharshanakumar** spoke on the importance of nurturant scientific temper among students during his inaugural speech. He also interacted with the student participants. Shri. B. Radhakrishnan Unnithan, District Project Coordinator of Samagrashiksha, Kollam explained about the Sasthrapadham project. The IQAC

coordinator of the College, Dr. V. Jayasree proposed vote of thanks for the inaugural session.

The inaugural session ended at 11.30 am. After a tea break, the first session by Dr. M.R. Sudharshanakumar on Periodic Table and history of elements took place. The session ended at 13.30 pm. Lunch was provided at the college canteen.

After Lunch, second session was conducted as Science Lab visit. Students were then grouped and were managed by 5 different departments- Physics, Chemistry, Botany, Zoology and Mathematics. The sessions were handled by faculty attached to the individual departments. M.Sc and Research Students acted as Lab Assistants Tea and snacks were provided during the session.

The third session was handled by Dr. S. Suresh Babu, Head and Scientist SF, Space Physics Laboratory, VSSC, Trivandrum and the topic was "Research in Space physics". He is a former Shanti Swaroop Bhatnagar Prize winner (Indian Nobel Prize).

The fourth session was continuation of Lab Experiments & the sessions continued till 6 pm.

The fifth session was handled by Mr. Doney Kurien, Assistant Professor in Mathematics, Government College, Kariavattom.

The Sixth session was a Science Quiz handled by Dr. G.R. Remya, Assistant professor in Physics.

The first day's programme came to an end at 8.30 pm. Dinner was arranged at the mess hall of the College. The NSS officer and member of faculty of the College, Mr. Aathman arranged for the accommodation of boy students in the class rooms. 10 mentors (Degree and PG students (boys)) stayed with the participants during night. Girls students were accommodated at the college hostel and Dr. Rathika Nath and Dr. V. Jayasree stayed with them. The accommodation was provided in College hostel under concessional rates.

## **Day 2 (Sunday, 26-01-2020)**

The second day started with a break fast. Then the students were taken for a nature walk along the shores of Sasthamcotta fresh water lake. The students immensely enjoyed the tryst with nature.

The participants enthusiastically participated in the Republic Day celebrations in the College.

The seventh session was handled by Dr. Mani Sankar Babu, Assistant Professor in Botany, University College, Trivandrum and the Topic was "Research in Cancer Biology".

The formal inauguration of the camp was then conducted. It was certainly a privilege to have Mrs. Mercy Kutty Amma, Honorable Minister of Fisheries, Cashew, Port etc to formally inaugurate the camp on the next day of starting of camp, that is 26<sup>th</sup> of January 2020. She came to the camp inspite of her hectic programmes on the republic day.

The second technical session (8<sup>th</sup> session) for the day was handled by Dr. Manomohan Antony, Assistant Professor of the Department of Zoology, University College, Trivandrum. The topic was “Environmental Protection- What Students need to Know”, and the session started at 11.30 am and ended at 13.30 pm. Lunch was provided. The 9<sup>th</sup> session was handled by Dr. G. Ajayakumar, Department of Chemistry, Government College for Women, Trivandrum and was on “Career Opportunities in Science” from 14.30 pm to 16.00 pm. All the sessions had interactive time at the end. The last lecture session (10<sup>th</sup> session) was handled by Dr. K.Rajesh, Assistant Professor in Chemistry, University College, Trivandrum started after a tea break at 3.30 pm. The topic of the session was “ An introduction to Chemico-Legal Examination” which ended at 18.00 pm. Then an Yoga session was conducted by Dr. Sreegith TG, Assistant Professor in Sanskrit.

The second day’s programme came to an end at 8.30 pm. Dinner was arranged at the mess hall of the College.

### **Day 3 (Monday, 27-01-2020)**

The day 3 sessions started at 8.30 am with travel for R&D visit. Break fast was provided in the canteen before travel to the CPCRI Lab and Research Institute, Kayamkulam. The group reached CPCRI Laboratory and Technical Division at 10 am. The visit to various laboratories extended upto 12 noon. The students were given detailed explanation about the working and function of various Sophisticated equipments and field work by the CPCRI team.

A heavy lunch was provided at college canteen after the team arrived back at around 1.30 pm.

Feed back forms were issued and collected at 2.00 pm. The valedictory function was conducted between 2.30 pm and 04.00 pm. The function was presided over by Dr. C. ### **Acknowledgements:-**

We take this opportunity to congratulate the state government and the educational minister for their projects aimed at promoting Science awareness among students.

It is with sincere gratitude that we thank Dr. A.P. Kuttikrishnan, State Project Director of Samagra Siksha, Kerala for providing us with a wonderful experience and also for motivating the students during his visit to the college. We express our sincere thanks to Shri. B. Radhakrishnan Unnithan, District Project Coordinator of Samagrashiksha for constant encouragement and support for the successful conduct of the programme. We express our gratitude to Mrs Anitha H R. District Programme officer, Samagra Siksha, Kollam, for helping us immensely in executing the programme smoothly.

We are also indebted to the DDE Kollam, for her support.

The constant encouragement and support rendered by the College Principal, Dr. C. Unnikrishnan was the most important factor which made this event a huge success.

Thanks are due to the Heads of departments- Prof.S.Leela, Prof. K. Lisy, Dr. P.Geethakrishnan Nair and Dr. Mini Chandran C., and members of faculty (both teaching and Non teaching) of all science departments as well as the UG and PG students of our college. There were 10 student mentors and also many student volunteers from various science departments, whose dedication and sincerity made this event happen

Thanks to all external and internal resource persons for making the programme a great success. Special thanks are due to internal resource persons, Dr. Preetha G Prasad, Dr. Remya G R, Dr. Geetha Krishnan Nair, Ms Neenu, Dr. Binusree Jayan, Dr. Shelma R and Dr. Sreegith for supporting and handling the lab sessions and making them a success.

We also acknowledge with gratitude the support rendered by the College Canteen and the hostel authorities for providing hospitality. Special thanks are due for Mr. Sunil, Mr. Sachin and Smt Leela for housekeeping and general attendership for the whole programme.

I find no words to acknowledge the support rendered by the IQAC coordinator of our College and my dear friend, Dr. V. Jayasree who was with me throughout the programme and rendered help in every matters.

I greatly acknowledge the indebted help from my dear friends, Prof. Maya P.K. (the Programme Co-convenor) and her family.

The enthusiastic and vibrant team of students that we had as participants was the most important factor. On an analysis of the feedback, we felt immensely happy that our effort was not in vain. We acknowledge the support rendered by all the parents of participants.
